Wellesley Island Grown Cross Island Farms Organically Fed

GRASS-FED BEEF

Now Available by the Mixed Quarter, Half, or Whole

- **Certified 100% Grass Fed (by NOFA-NY)**
- **Organically Fed (the cow is certified organic, the butcher is not, it is illegal to call it organic meat.)**
- **Distinctive Flavor**
- **Chemical-Free**
- **Healthier for you and your family**
- **Local, Wellesley Island born & raised**

Wellesley Island Grown Organically Fed, 100% Grass-Fed Beef is sold by the mixed quarter, half, or whole and priced by hanging weight. The mixed quarters should be around 100-150 lbs hanging weight.

This year we have 2 Red Devon & 1 Red Devon/Belted Galloway cross for **harvest on August 14th, or October 6th (dates subject to change.)** These heritage breeds do particularly well on a grass-fed diet.

You are purchasing a share in a live animal to be slaughtered by our butcher. You pay us \$3.95 per pound, based on hanging weight, plus trucking, with a minimum down payment of \$200.00 per quarter to reserve your beef. You pay the butcher the processing charges which will vary, depending upon the hanging weight and your cutting orders. We have the animal delivered to the butcher and you pick up your cuts of meat directly from the butcher when they are ready. Net cost to you is about \$8.00 per pound. Click www.crossislandfarms/Organic-Meats.php or call or email with questions: 315-482-FOOD (3663) or organic@crossislandfarms.com. Credit cards accepted with a 3% convenience fee.
